

Infreared Thermos Body Temperature Detector Walk Through Door

Barcode No. Temperature: C
70 37.24
Body Temp. 37.24
Alarm No. 1

LCD Display
7 "LCD Panel/Supporting English and Chinese

Alarming LED Light
Alarming for over temperature and metals

Infrared Thermos Temperature Sensors
Non-touch Body Temperature Screening

Features

Precision Temperature Measurement ±0.3°C	Auto Alarming > 37.3°C or < 36°C	Rapid Temperature Measurement Response Time < 0.5s
Cloud System (Option)	Applicable for Children & Adults 1.5 m&1.2m Installation Positions	Data Collection Temperature/Passengers

ISO 9001 | ISO 14001 | DHSAS18001 | CE Certification |
